MUSA SUSO

Mathematics Teacher | Frontend Developer | Junior Data Analyst

About Me

Certified Mathematics Teacher with over five years of experience in education and a strong background in mathematics and computer science. Currently completing a degree in Mathematics with a minor in Computer Science at the University of The Gambia. Skilled in programming, web development, data analysis, and graphic design, with a passion for leveraging technology to enhance learning and solve real-world problems. Eager to apply my diverse skill set in innovative roles within education, technology, and data science.
